Re-Entry Program

The LPN Re-entry program can be open to members who have been out of the workforce and do not have the requirements for eligibility to reinstate their license. It can also be open to approved Internationally educated nurses as a result of the application review process. The third area that the LPN Re-entry program is utilized is as a result of a disciplinary review/ fitness to practice result. The last situation this program is provided for, applicants who have exceeded the maximum number of examination attempts.

The LPN Re-entry program is delivered by NBCC (English) and CCNB (Français). Members/applicants are approved and referred by ANBLPN.
